August 2017

August 12/13th 2017 - Kemoy and Team KYSO Host the main stage all weekend, also host the african Corner and Street parties.

I love Manchester, I love Moss side.
Manchester Carnival 2017 has been amazing, my team KYSO and the community guardians have been really impressed with how great the people of Manchester and beyond are!! I would like to thank everyone for their support towards everything I have been doing recently, I am so blessed to get the opportunity host the main stage all weekend and explore other stages throughout. Thanks to the organisers and also Sam Brown for coaching me on the main stage for the last 2 years! Thank you, Manchester, I love you!!

Manchester Carnival 2017.

August 10th 2017 - Kemoy does a series of Interviews with TV/Radio Channels for the community of Moss Side.

I appeared on BBC North West, speaking about the great community meeting Hideaway Youth Project organised on this date and also our new community initiative which is called 'Community Guardians' where we have teamed up with local youth workers/activists in Moss Side to ensure the Carnival is safe on August 12/13th for all young people. I want to thank everyone in the community for their support and once again my heart and condolences go out to Sait who sadly passed away!! R.I.P

Manchester Carnival 2017.

The youths came together in Moss side and we done a minute silence and gave hugs to each other and shared memories, that's community! R.I.P Sait

August 7th 2017 - Kemoy passes Driving Test!
God is good! Passed first time!!

(Former England Manager)**

**July 29th 2017 - Kemoy and team KYSO Host Main
Stage at B Festival, Stockport.**

B Festival is back! Following on from their most successful event ever and unprecedented demand they brought it back to Stockport with a variety of live music and performances! B Festival showcased traditions from around the world and celebrated the diverse culture through music, art and food.

Kemoy and team was proud to host the Main Stage for the majority of the day and creating a hype for the people of Stockport.

July 26/27th 2017 - Kemoy and team Hideaway
Deliver series of trips and good work for the young
people in the community.

So proud to see young people doing amazing work, well done to Youth Action for putting on a great event at Central Library about youth homelessness, it was great that the Mayor of Greater Manchester came to speak about his plans for tackling this problem in the city.

The Community Learning Festival is a celebration of the learning and diversity in the local area. The aim of the Community Learning Festival is to unite the local community over three themed days of free activities hosted by the Faculties of Education and Health, Psychology and Social Care with a wide range of community partners. Team Hideaway was honoured to be in the Brooks building, built as a central hub of community activity for Hulme and its surrounding areas. As one of the University's key pillars, the community is central to all Manchester Metropolitan University activity. We was delighted to be involved in one of the special days, Thanks to MMU for the opportunity.

July 25th 2017 - Kemoy meets GEKO (Artist).

Recording artist signed to the UK based independent label OneTape Records whose singles include "Baba," "Love Me" and "Over & Under." Another song of his, "Heartless," reached #9 on the iTunes chart.

July 16th 2017 - Kemoy and team KYSO attend Manchester International Festival Closing Party and Provide entertainment at the end.

Today, on this date was the end of the Manchester International Festival with a closing Ceremony, They have had groundbreaking performances, new musicals, returning heroes, celebrations of the people of Manchester and so much has happened throughout June/July 2017.

It'll be two years before they do it again, thats why everyone made sure they enjoyed the rest of the evening with some great entertainment from Kemoy and Team KYSO who finished the day with people dancing and having fun.

Throughout the day Kemoy and team got involved with different activities, he also managed to get a picture with the Lord Mayor of Manchester.

Kemoy said: A huge thanks to the MIF and staff, for letting us party at the end - it's been an honour. loved it. Thank you team KYSO.
