I met Her Majesty the Queen in 2012, then received a letter from the prime minister in 2017 for the work and effort in Moss Side and helping to change the image and stereotypes.

Heartbroken

To hear the news of another tragedy in the community of Moss Side - my heart goes out to the families of both victims during this time, The youth workers and myself knew Cheriff Tall one of the victims and we had some good memories at Hideaway and Powerhouse Youth Club back in the day.

Community leader Kemoy Walker added: "Moss Side is a fantastic community, it is such a tragedy to have lost two people in our community, as a youth worker and ambassador to the community, my condolences are with the family at this time. Now is a chance for us to reflect as a community and look out for each other but we also need to speak to GMP if you know anything - we need justice for both families.

I love my community

This was on 22nd June 2020 – 8pm.

The essence of true community spirit - this is the Moss Side that is not shown often, people coming together for a one minute silence then a walk in the community - we came together as one to grieve and support each other during this time.

Was great to go with the family and friends together. Everyone was respectful and worked together.

19th June 2020 - Kemoy surprises a few community members with Hickory Meals

A huge thanks to Jessica from hits radio Manchester for the 30 meals she delivered to me on this date for the local community. In my role as a community ambassador for Moss Side - I love the community so much, yesterday I went on a mission to deliver Hickory meals to local families, the smile, and tears from these families made me emotional.

Feedback: Kemoy surprised me with this big bag of cooked food, Now I never get given cooked food or anything like this apart from my children, sister and one of my mums closest friends and another amazing woman over the last couple of weeks, So you can imagine how shocked I was to receive this I was almost in tears and it may not be a big deal to you but it is to me knowing that someone had me in their thoughts and wanted to do something nice for me. Giving thanks to decent, kind and caring good people, there are plenty of us still around, proud of you Kemoy - keep up the good work.

16th June 2020 - Kemoy appears on BBC North West Tonight Programme.

We are all passionate about [#BLM](#) - to hear the news that someone wants to trademark "Black Lives Matter" and "I cant breathe" to make profit is insensitive and unacceptable. There is a history to this!!! We all need to make a stand to ensure this does not happen.
