My Name is Kemoy Walker, Youth Worker and Ambassador for Manchester and Moss Side.

I do a lot of work in Manchester, helping young people, creating a voice and helping them with their aspirations especially around Performing Arts.

I met Her Majesty the Queen in 2012, then received a letter from the prime minister in 2017 for the work and effort in Moss Side and helping to change the image and stereotypes.

All of the above attended and got a certificate and £10 voucher. Well done guys! They have graduated from the school of graffiti, parents will be proud when they seen the designs, they also designed a KYSO board showcasing our values. They showcased how we are as a team, the Graffiti Artist really loved the team. Great teamwork!

We are team KYSO.

**October 2020 - Black History Month**

As we come to an end of Black History Month soon, there shouldn't be an end, we need to start embedding changes everywhere so it's not only celebrated 1 month in a year, we need to celebrate all cultures all the time and implement great changes in our schools/work places so many young people can be inspired to become teachers, doctors, lawyers etc..and every role out there we see others doing! It's important we also help young people to aspire to get into these roles to make changes too, we can't wait on others to do it for us because it might not be done, let's help others be change makers too and we can see future prime ministers etc..

Come on people, let's sort this - Change needs to come ASAP.
