For change to happen we need to be the change, often I look at main politics, I am sure we all think the same, no-one reflects us or the people they serve in communities, we need to do something about it, join a party and get active, make change, we need to be more active and get involved in the community and local issues, I've been involved in the Labour Party since I was 17 years old, had some great roles in the Moss Side Labour Party such as youth and education, BAME officer and more, the experience has been amazing!!! Any advice or support regarding joining, give me a shout, also getting the opportunity to visit other areas to hear other voices is important.

A good #labourdoorstep session today with Didsbury Labour talking to residents about local issues that matter to them - I really love doorstep sessions - great to engage and have conversations with people!

November 2021

Last week in school I realised many young people getting wet due to the rain and not many wearing coats, I was really concerned by this, I asked a few of them why, many replies with their parents can't afford to buy them one, it broke my heart, following this, I wrote the following message on Twitter:

Dear Twitter crew - I could cry right now, so many of our school families are struggling, I'm reaching out for any coats donations to give to our students/families - with the weather many were trenched today, they have no coat, also thinking prom, any dresses - thanks in advance.

Following from this message, soooo many people got in touch, from all over the UK, some fantastic donations of coats and items for prom for our students, some even delivered it to the school, sometimes deeping life, there are so many families who are struggling, especially financially since the pandemic! What I seen was a community who came together to support

the school, I was overwhelmed, when we put our mind to things, lots can be achieved, now those students got a coat last week, thanks to the people who genuinely cared and wanted to mitigate disadvantage.

God bless everyone, we are still looking for prom items for next year, any donations please inbox and get in touch! ❤️❤️👉
