October 2017

September 29th 2017 - Kemoy DJ's for The Big Life Group Staff Awards.

Big Life Staff Awards set to be a night to remember

More than 300 members of staff from The Big Life group has celebrated their achievements in style this year, at the annual staff awards ceremony.

This was held at The Monastery Manchester on 29 September, the awards recognised those members of staff who have gone above and beyond in providing a great service. There were 12 awards up for grabs on the night, with six celebrating staff who have met the values (courageous, creative, honest, inspiring, thoughtful and valuing difference), five for staff who have demonstrated the Big Life Way (first class, never give up, people not problems, tread new ground and working in partnership), and a special award for the year's outstanding employee.

After dinner was eaten, and the awards given out, staff had an extra opportunity to let their hair down, with a special photobooth courtesy of [Manchester's Imperial photo booth](#). With the glitzy booth capturing the moment, staff will be able to grab some fun pictures with their

colleagues, and take away a memory of their evening.

They also had the opportunity to dance at the final disco with DJ Kemoy B which had the dance floor packed until finished.
