My Name is Kemoy Walker, Youth Worker and Ambassador for Manchester and Moss Side.

I do a lot of work in Manchester, helping young people, creating a voice and helping them with their aspirations especially around Performing Arts.

I met Her Majesty the Queen in 2012, then received a letter from the prime minister in 2017 for the work and effort in Moss Side and helping to change the image and stereotypes.

13th August 2020 - Kemoy's KYSO group becomes finalist in the OSBA's Award 2020.

The OSBA's Award 2020 - Kemoy's group Kysoclub were finalist for the Community Cohesion/Diversity Award on this date at the OSBA's. The award recognises groups who have been instrumental in bringing together diverse groups in the community for positive change. Kemoy said:

"Thank you Carisma for their hard work with all the awards under the difficult circumstances.

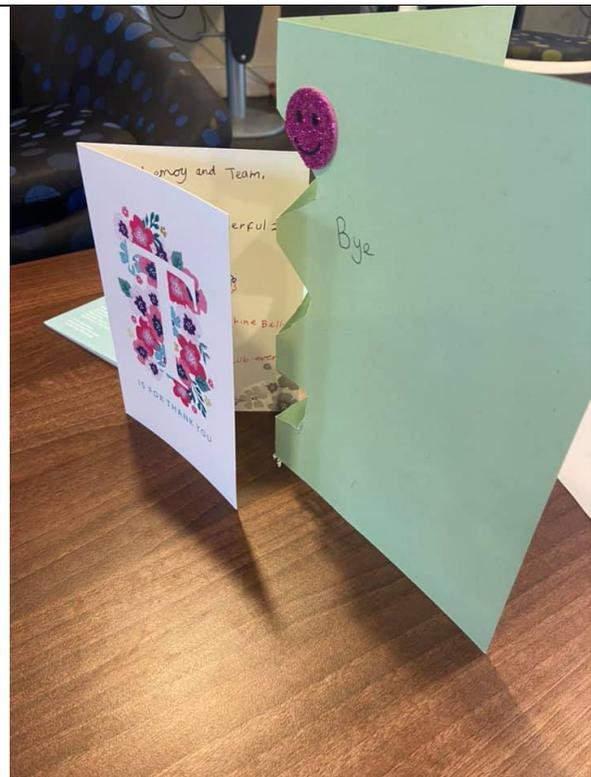

Well done to everyone else who either won or were Finalist."

21st August 2020 - Kemoy completes 4 weeks of Playscheme at Powerhouse, Moss Side.

A fantastic 4 weeks leading Playscheme sessions at Powerhouse, Moss Side - it brought memories of past Playschemes we have done there with many young people, this year we supported and helped many parents and made impact to over 100+ young people, giving them life skills and activities to help them improve team work, communication and general youth and play. - Thank you to Lisa for the opportunity!

On the last day, we enjoyed some lovely food made by one of our community members Jodeci who made us some amazing rice and peas, curry chicken, fried chicken, white rice etc..we also had many other food and donations from members of the community, the food was finished within minutes - then we enjoyed a fantastic dance off with lots of prizes. Loved every minute. Thanks to the community for bringing their child at some point during the weeks and feedback has been incredible!

22nd August 2020 - Kemoy gets a letter from the CEO of MSV Housing during the summer holidays.

It was nice to wake up to a letter from the CEO of my housing - MossCare, sometimes we do things in life for the passion we have and wanting to continue making a difference, it's nice when others recognise the work you are doing and reward you for it, Thank you MossCare, this year has been difficult in many ways so being able to still do work in the community following government guidelines has been different and sometimes difficult but we still did it. God is good.

We ran playscheme in the community following guidelines for 4 weeks, bike workshops and bike rides over the holidays, daily free pack lunches in the park (young people volunteering) and much more - giving young people something to do other than staying at home and it impacted on their mental health, they were able to get involved in community work over the summer.

Continue to make a difference.
